COMPANY PROFILE

Presentation

Congo Oil Business Sarl (COBS) was founded in 2019 with the aim of developing Bulk Fuel management, storage, handling, and transportation specifically to serve the interests of diverse clientele in their quest to diversify their fuel service delivery.

Our core focus is the supply of petroleum products mainly diesel and petroleum. We have storage

facilities of over to 9 millions liters and offer storage services to various fuel companies in the DRC market.

COBS focuses on providing high quality services to our clients, emphasizing rigour and attention. This is evident in the application of our quality control procedures and product testing

Our mission

1. To create value for our partners through excellence
2. To be responsible partners with respect to safety and environmental impact of all our operations and services.
3. To run the company on a sustainable financial basis of profitable growth.
4. To provide quality services which are up to International standards

Our vision

1. To be recognized as the premier supplier of petroleum products in the DRC
2. To provide world class services to our clients which in turn enable them to be as competitive as possible.

Our values

Excellence | Professionalism | Team work
Corporate social responsibility
Integrity | Safety | Customer satisfaction
Quality service delivery

Marketing and supply of petroleum products

We are able to source, market and supply petroleum products (Premium Motor Spirit and Automotive Gas oil) in bulk or retail.

We have network of 10 filling stations spread across Lubumbashi, Kasumbalesa and

Kolwezi.

We also have a storage facility which can store over 9.000.000 litres of both products.

This storage capacity enables us to ensure uninterrupted supply to our various clients.

Haulage Service

We also have a fleet of over 100 trucks through our sister company LGD (based in Tanzania) to transport and deliver petroleum products from the various ports of loadings in Tanzania, Durban or Beira directly to our storage facility in Lubumbashi.

This enables us to efficiently deliver to our various clients according to their demands.

Our strategy

To Strengthen our client base by ensuring excellence and innovation in service delivery.

As a company, Quality, Health, safety, Security and Environmental issues take precedence in all areas of our operation.

In order to ensure safe and incident free operations, we adhere to the highest safety standards ensuring no work is too important to compromise safety.

It is a core value that reinforces our culture of safe behaviour.

Create and sustain strategic relationships that will guarantee superior delivery in a synergistic manner.
